# ECOLOGICAL & CME TOUR OF ECUADOR & THE GALAPAGOS

MAY 18 – JUNE 1, 2013 (15 days, 14 nights)

**The tour...**

Andean culture, Amazon rainforest, volcanic countryside, colonial cities, the Galapagos Islands – this is Ecuador, home to arguably the most spectacular array of natural and cultural diversity anywhere. Our luxury tour takes you into the **Galapagos Islands** – one of the most undisturbed and incredible eco systems on earth with it's incredibly unique species and the home of Darwin's theory of evolution. Then, head into the heart of the **Amazon rainforest** with it's multitude of plants, birds and animals. Hike, canoe or simply sit on your private cabana's terrace and see the greatest bio-diversity in the planet as well as learning about the indigenous Achuar Indians. And explore **Quito**, with it's UNESCO colonial centre and countless museums as well as a visit into the spectacular Andean foothills and a stay in a local hacienda in **Otavalo**, the continent's most famous trading fair. And afterwards, the opportunity to extend your trip into **Peru** including **Cuzco & Machu Pichu** and the fascinating Inca culture.
