The Destination... Bali, Indonesia

Draped languidly across the equator, the charismatic archipelago of **Indonesia** is a smattering of diverse island jewels bobbing around in tropical seas. A visit is a great adventure in waiting – it is truly one of the last intrepid destinations left on the planet. The third most populous nation on earth has an incredible legacy of peoples, cultures and geography just waiting to be explored.

One of the most well known of the islands is **Bali** - a land that seems to have a magnet at its very heart. In Balinese mythology, it is said that the gods created the place to be special. Its purpose is to be a shrine, housing all the deities and the land was sacred and the island goes under many names. Some call it the 'Island of the Gods', others Shangri-La. The 'last paradise', the 'dawning of the world' and the 'centre of the universe' are yet more names for this truly beautiful tropical island inhabited by a remarkably artistic and spiritual people who have created a dynamic society with unique arts and ceremonies.

Like many islands, Bali has developed a world of its own. It not only captures what is special about Indonesia but also has a uniqueness of its own. Daily life is culturally linked to satisfying and appeasing the gods, spirits and demons as the local people celebrate the eternal struggle of "Good and Evil" - the very essence of this largely Hindu island. And, in the midst of breathtaking panoramas of cultivated rice terraces, impressive volcanoes and beautiful beaches, lies Bali's main volcano, Gunung Agung, which is still active and considered sacred among local people as it is believed to be the centre of the universe.

The island is small, just 140 km by 80 km and lies between Java, the most highly populated and influential of all the islands, and Lombok, one of the quieter and moderately slower paced islands. Lying just 80 degrees, south of the Equator, the island offers a tropical climate with just two seasons a year and an average temperature of around 28 Celsius. It is one of the twenty- six provinces of the Republic of Indonesia, divided administratively between eight districts that take their names and boundaries from the island's old Hindu kingdoms.

Economically and culturally, Bali is one of the most important islands of Indonesia. Rice is grown on irrigated, terraced hillsides; other crops include sugar cane, coffee, copra, tobacco, fruits and vegetables. Cattle and hogs are also raised. The Balinese are skilled artisans, particularly in woodcarving and in fashioning objects of tortoiseshell and of gold, silver and other metals. The people are noted for their traditional dance, the distinctive music of the gamelan and for their skills in weaving cloth of gold and silver threads, Songket, as well as for embroidering silk and cotton clothing.

Filled with charm, culture, mysticism and some of the most magnificent scenery on earth, Bali has enchanted visitors for centuries – let it cast it's spell over you as we take you on an educational and cultural journey that you will never forget.

By the early 1960s, Ubud had attained fame as a unique artists' community the entire artistic region around Ubud flourished, including the enclaves of Campuhan, Penestanan, Sanggingan, Nyuhkuning, Padang Tegal, Pengosekon, and Peliatan. Nearby are the centers of wood carving at Mas and of silverware at eluk. Afterwards,

Physicians will visit **Amrtasiddhi, a local Ayurveda & Yoga Health Centre**, for a presentation on the principles of Ayurveda.

Amrtasiddhi has professional Ayurvedic doctors and therapists who work with patients to improve their physical, emotional, and spiritual well-being. The Centre offers Ayurvedic consultations, treatments, medicines and healing activities that promote a deep balance and long-lasting well-being and these practices are supported by Yoga and T'ai Chi.

<http://www.amrtasiddhi.com/>

Ayurveda is a traditional, natural system of medicine that has been practiced for more than 5,000 years in South East Asia and India. Ayurveda provides an integrated approach to preventing and treating illness through lifestyle interventions and natural therapies and the removal of toxins from the body. Treatment is based on herbal remedies (in the form of injectables, ointments, oils, tablets and liquids) which are used as day to day remedies against major human diseases. It may involve naturopathic treatment against aging and the use of steam along with herbs. Ayurvedic theory states that all disease begins with an imbalance or stress in the individual's consciousness. Lifestyle interventions are a major Ayurvedic preventive and therapeutic approach. There are now ten Ayurveda clinics in North America, including one hospital-based clinic that has served 25,000 patients since 1985.

Non-Physicians will enjoy free time for exploring Ubud, shopping at the traditional market or wandering the streets that are filled with handmade items, museums, temples, and cafes or you may choose to return to the hotel and relax.

Day 5 – May 1: Ubud – Gunung Kawi Temple, Senang Hati, Academic Session (B, L, D)

After breakfast there will be an early morning visit to the ancient **Gunung Kawi Temple**, one of the oldest temples in Bali built in the 11th century. Experience the mystery of these historical remains crafted in a side of a small mountain. Surrounded by lush green tropical rice fields -- you will have a chance to meditate and listen to the silence. Be sure to bring your camera and good walking shoes as there are several steps to reach the temple.

Continue to **Senang Hati**, a developmentally disabled NGO facility outside of Ubud that works to build a foundation where society accepts, welcomes, and values the equal participation of people with physical challenges. It's vision is to bring people with physical challenges out of isolation and into society; to build self-worth and provide programs that support their physical and health needs, as well as to teach skills that will assist people with differing abilities to become productive and work towards independence and self-sufficiency, where possible.

<http://www.bhaktisenanghatifoundation.com/>

Most of the people are in wheelchairs or other support but all have an indomitable spirit that you feel the minute you arrive. Learn about the work of the foundation and enjoy a mask and dance performance performed by the residents (in wheelchairs). They will also play musical instruments – join in yourself as an accompaniment to this unique performance. There is also a small gift shop that showcases their amazing artwork, all proceeds helping to support the Foundation.

Lunch will also be served at the facility.

Partners will have independent time to continue to explore Ubud.

Dinner at **Laka Leke Restaurant** in Ubud including a performance of the **Joged and Children Balinese dance**.

***Joged** is a traditional Balinese dance performed by a young and beautiful Balinese dancer. Unlike other dance performances which are performed during the temple festival, Joged is not a sacred dance is it a performance to entertain guest on special occasions such as wedding parties, dinner parties and anniversary celebrations of youth associations. This dance is most popular among members of youth associations, since the Joged dancer will pick a member of the audience to join her in a courting dance where Joged dancers flirt with each other in Balinese - we call the chosen dance partner a "Ngibing". Once the dancer shakes your hand and presents you with a fresh flower, it means your turn of ngibing is over.*

Overnight at hotel in Ubud.

Day 6 – May 2: Ubud – Monkey forest, Royal Family visit (B, L)

Breakfast at the hotel.

This morning, continue along your spiritual trail and visit the **Sacred Monkey Forest**, where the cheeky monkeys will be waiting for you. This sanctuary also hosts an important temple and a mystic spring.

Monkey Forest Ubud holds a significant history intertwined with Balinese culture. Dating back to the 14th century, it has been regarded as a sacred place, housing spiritual forces and guardian spirits. The monkeys, seen as sacred animals, symbolize both protection and mischief, fostering a unique connection between humans and wildlife.

In the 20th century, it gained recognition as a vital conservation area. Efforts were made to preserve its natural beauty, promote responsible tourism, and raise awareness about the cultural and environmental significance. Today, it stands as a cherished sanctuary, where visitors can connect with nature, observe captivating monkey behavior, and support the ongoing conservation efforts. <https://monkeyforestubud.com/>

Lunch will be at a local restaurant.

After lunch, there will be a **private meeting and tour at the Peliatan Palace with a member of the Peliatan Royal Family**. The village of Peliatan, once the seat of an offshoot of the royalty of Sukawati, is renowned for artistic activities. Their gamelan instrument and dance troupes travel abroad as cultural ambassadors – including one of the living princesses who, in the 1930s, was the first Balinese dancer to travel to the US with Bob Hope and Fred Astaire. Peliatan is also a centre of painting and woodcarving and many artist studios can be found among its Main Street and back lanes.

Evening at leisure. Overnight at hotel in Ubud.

Day 7 – May 3: – Ubud – Kertagosa – Goa Lawah – Tirta Gangga - Candidasa (B, L, D)

Candi Dasa, or often Candidasa is an elongated coastal village resort area on the east side of Bali that rests on the edge of a fresh water lagoon, named Candi Dasa Lagoon. The town is surrounded by spectacular mountains and is centred around Jalan Raya Candida, where a number of hotels, restaurants, and shops line the main road. Most sources say a fishing village was founded on the site by the 12th century and before the modern name of Candi Dasa was adopted it was known as both Teluk Kehen ("Bay of Fire") and Cilidasa. It is thought that the temple near the lagoon, with a statue of the fertility goddess Hariti surrounded by a group of children is the origin of the name Cilidasa which translates from Balinese as "ten children". Many Balinese who want to have children go on pilgrimage to this temple to pray. Today, this beachside town is known for its good diving and snorkeling.

Breakfast at the hotel.

After breakfast, depart Ubud for Candidasa with several sightseeing visits along the way.

Stop at **Kerthagosa**, the name of the former **Royal Courts of Justice in Klungkung** - set in a courtyard of ponds, the highlight is an elaborately decorated ceiling featuring the *wayang* style of painting.

Then on to **Besakih Temple**, known as the "Mother Temple" of Bali. Located on the western slopes of Mt. Agung, Bali highest volcano (2,567 m), Besakih is the largest and most important temple on the island. En route you'll stop in the village of **Sibetan** to observe traditional weaving and visit a salak plantation where you can taste Bali's famed "snakeskin fruit".

Lunch at a local restaurant with a panoramic of Mt. Agung, an active volcano that is considered a sacred site.

After Lunch continue to visit **Tirtagangga** (holy water of the Ganges in Balinese), considered one of the world's most romantic gardens. Gushing springs flowing from beneath an ancient Banyan tree and holy temple fill the myriad reflecting and swimming pools that grace the Water Palace.

Continue to the resort village of Candidasa and check into hotel.

There will be a meeting with a local Balinese healer at the hotel prior to dinner. Wayan Gunung specializes in Energy healing (therapeutic massage and energy transfer).

This evening, enjoy a BBQ Dinner on hotel beach area

Overnight at hotel in Candidasa.

Day 8 – May 4: Candidasa, including Bali Asli cooking (B, L)

Breakfast at the hotel and then depart to **Bali Asli** to take a trek through the rice fields for followed by a cooking demonstration and Megibung Lunch.

Bali Asli is nestled in the foothills of Mount Agung, Bali's most sacred mountain, surrounded by rice fields, and promotes Balinese cuisine and culture through community partnerships supporting those who fish, farm and forage in the nearby fields, ocean and jungle.

The name 'Bali Asli' means 'original Bali', and this concept is what shaped the venture from the beginning. The produce and ingredients for the dishes here come from the surrounding area—either from the traditional market or the restaurant's own organic garden.

Enjoy a cooking demonstration using a traditional Balinese style kitchen showing you traditional Balinese recipes with cooking done on wood-fired, mud brick stoves, allowing the real flavours of Bali to shine through - you won't find a single electrical cooking appliance on the premises.

You will receive an introduction to the Balinese ingredients and an open discussion about how they can be used for medicine, ceremonies and cooking, followed by Bumbu Bali, the essential Balinese spice mix, sate lambat be siap, minced chicken wrapped around lemon grass, tipat santok, seasonal steamed vegetables with peanut sauce and traditional rice cakes. Then enjoy the results of this cooking demonstration for your lunch.

The menu here is inspired by a Balinese dining tradition called *Megibung*, which began with the kingdom of Karangasem in the 17th century. At that time, Balinese warriors in Lombok were joined by the king of Karangasem, who insisted on sitting with his soldiers during meals and sharing food and drink all around. This helped the men to bond, deepened their sense of loyalty to the kingdom, and sparked a style of eating that continues today. At Bali Asli, the dishes are meant to be savoured together with friends and family in a relaxed and casual setting overlooking the spectacular views of the volcano and rolling green valleys.

Evening at leisure.

Overnight at hotel in Candidasa.

Day 9 – May 5: Candidasa – Kusamba – Yeh Pulu – Goa Gajah - Mengwi (B, L, D)

*The central part of Bali is famous for its wonderful views with rolling green landscapes, clove and coffee plantations and spectacular terrain including the imposing Mount Batukaru, Bali's second highest peak at 2,276 metres. The town of **Mengwi** has a long and rich history associated with its royal family, as it used to be the capital of an ancient kingdom, and the best modern day manifestation of this is the splendid temple complex at Taman Ayun.*

Breakfast at the hotel.

This morning enjoy snorkeling in the nearby **Blue Lagoon**.

Following lunch at hotel, depart for Mengwi making several stops along the way.

First, visit the coastal fishing village of **Kusumba**, to observe the colourful fishing boats lined up all along the beach as well as the small salt-making huts where you can learn about the traditional salt production process in this area.

Further stops along the way will include **Yeh Pulu**, a site rediscovered in 1925 by archaeologists and covered by moss and shrubs - yet local people still knew about it and placed offerings at the front of the carvings. Then visit **Goa Gajah (Elephant Cave)** - a site mentioned in the Javanese poem Desawarnana written in 1365. An extensive bathing place on the site was not excavated until the 1950s and this appears to have been built to ward off evil spirits.

Then continue on to **Mengwi** and check into your hotel.

Enjoy a traditional dinner at the hotel.

Overnight at hotel in Mengwi.

Day 10 – May 6: – Mengwi (including Taman Ayun, Tanah Lot) (B, L, D)

In the afternoon, explore more of the local cultural sites, stopping first at **Taman Ayun Temple**, a legacy of its glorious kingdom's era. Pursuant to Papyrus Chronicle of the Mengwi (Lontar Babad Mengwi), this temple was sanctified in the year 1634.

At the end of the day, continue to **Tanah Lot** to see the **Kecak Dance** and a spectacular sunset followed by dinner by the ocean at The Jukung Restaurant.

Return to Mengwi.

Overnight at hotel in Mengwi.

Day 11 – May 7: Mengwi – Pemuteran (B, L, D)

*When a small group of pioneer investors bought land in the area in the mid-1980s, they vowed to adhere to the ideals of gentle tourism and to create a hideaway for discerning visitors, in which they succeeded. **Pemuteran** is an eco-friendly village that lies in the shadow of mountains to the south and to the north is Menjangan Island, one of the best diving areas in the world. Pemuteran is considered the capital of the “unseen” or the spirit world and also has the largest area of shallow coral reefs in Bali being easily accessible and free of strong currents and waves making it perfect for swimming, snorkeling and diving.*

Breakfast at hotel.

Today, travel to the north west corner of the island to Pemuteran. Witness the magnificence of Bali on the way to this picturesque coastal village.

On the way, visit the **Ulun Danu Temple**.

Ulun Danu Temple, also known as Pura Ulun Danu Beratan dates back to the 17th Century and has a rich cultural and heritage background. The Ulun Danu Beratan temple history predates 1633 which was commissioned by the King of Mengwi and built during the Mengwi dynasty. The temple was built in devotion to the Hindu Trinity: Brahma, Vishu, and Shiva, and the Lake Goddess, Dewi Danu. The temple is the epitome of a stunning amalgamation of environmental sustainability, culture, and spirituality sitting on the shores of Lake Beratan in the mountains near Bedugul. Various rituals and ceremonies are performed by the priests to honor the Dewi Danu to seek her blessings for each new season.

Later, visit the Candi Kanung traditional market at Bedugul.

<http://tamansaribali.com/coral-restoration-project/>

The rest of the morning is free to relax at your resort or snorkel in the amazing sea world right next to your hotel.

Lunch at the hotel and then free time in the afternoon to relax in this tropical beach paradise.

Dinner with local Balinese families and an opportunity to learn more about the local culture directly from the villagers.

Overnight at hotel in Pemuteran.

Day 13 – May 9: Pemuteran (Menjangan Island) (B, L, D)

Breakfast at hotel, then drive / cruise to **Menjangan Island**, an island off the western tip of Bali famous for being one of the best diving and snorkelling spots in the region. Named after a local species of deer (hence the name of the island is also often translated as Deer Island), Menjangan Island is technically part of **West Bali National Park**. The habitat is very varied with rainforest, dry savanna, acacia scrub and lowland forests, as well as more mountain forests in the higher centre. There are also some pockets of dense mangrove forest. Over 160 bird species are found in the park, including the near extinct Bali Starling, as well as several mammals

Enjoy the day snorkeling or relaxing by the beach. A lunch box is included.

Dinner and overnight at hotel in Pemuteran.

Day 14 – May 10: Pemuteran – Sanur (B, L)

Sanur is Bali's oldest upscale resort area and is a mature beach-side town. Despite the abundance of restaurants and accommodation, it has a quiet and relaxed feel to it. It is an excellent base for exploring some of Bali's southern sites or relaxing at the end of a circular tour of the island.

The northern part of Sanur beach was used as the landing site for the Dutch invasion troops during the Dutch intervention in Bali (1906). During World War II, Sanur was again the entry point through which the Japanese forces landed to occupy the island of Bali.

Breakfast at hotel and relax until midday.

After lunch at the hotel, head south through the eastern aspects of the island for your final two nights in Sanur Beach.

Travel insurance information... Coverage available through Manulife Insurance

We strongly recommend that you take out travel insurance to protect you against the unexpected due to, in particular, limited provincial health care coverage afforded to Canadians while traveling overseas and the cancellation provisions inherent in your booking. We offer two insurance coverage options –

Non-medical Inclusive package - There are **significant inherent cancellation penalties** associated with your booking as detailed in our booking terms and conditions and this insurance package provides coverage for all monies paid for your trip if you should have to cancel due to medical, or other listed, reasons either relating to yourself or a member of your immediate family. It also covers you for trip interruption costs short notice return flight home etc) for medical reasons again, either relating to yourself or an immediate family member as well as flight and travel accident and baggage insurance.

All-Inclusive package – provides coverage for all the components in the non-medical package, plus unlimited health coverage while in the destination

Note, if you believe you may have coverage through your **credit card** we would strongly advise checking with the credit card company the actual coverage afforded to ensure it covers medical, trip cancellation and trip interruption as not all of these items are covered (or may only offer limited coverage as to trip duration or insured \$amount in the event of a claim - sometimes as low as only \$1,000 per person) by all kinds of cards.

"Cancel for any reason (CFAR)" coverage - NEW and at no additional cost !!

So long as you **purchase either of the two insurance policies above at the same time as your tour booking**, you are automatically entitled to this added benefit of CFAR coverage whereby, if you need to cancel your tour booking up to 14 days or more before departure **for any reason**, your policy will refund you up to a maximum of 50% of the cancellation penalties incurred. This is excellent peace of mind coverage to protect you against (50% of the) cancellation penalties incurred in a situation where the reason for cancellation is not one of the regular covered risks in your policy (ie it is essentially "change of mind" insurance).

Our insurance premiums (dependent upon your age at the time of purchasing insurance and your total tour costs) are below

Please take the time to read and understand the Terms and Conditions of booking set out below prior to booking a tour with us.

The Terms & Conditions contained herein are the terms under which Doctors-on-Tour and on-Tour (being operating brands of Britcan International Consulting (B.I.C.) Inc. and together, for the purposes of these Terms & Conditions, being referred to collectively as DOT/OT/BIC) accepts reservations. Our liabilities are limited. When you make a payment of deposit and/or final payment, it is also an acknowledgement of receipt and acceptance of these Terms and Conditions.

1. RESERVATIONS & DEPOSIT: Early reservations are recommended to guarantee your reservation as several of the accommodation providers with which we make arrangements on your behalf have limited capacity. All services are strictly on a request basis, both for air travel and land requirements and subject to availability of seats and hotel/lodge/camp rooms and cruise cabins. A guaranteed non-refundable deposit of \$500 per person (with the exception of \$800 per person for Morocco and \$1,000 for Japan, Malaysia, South East Asia and Sri Lanka programs; \$700 per person for programs which include a cruise component, \$1,000 per person for Iceland cruises), together with the applicable travel insurance premium, is required with your reservation request. Tour extensions and, where applicable, seat upgrades in aircraft cabin categories higher than economy, are also subject to additional non-refundable deposits as detailed in each specific program's brochure. Reservations made for travel within 95 days (105 days for programs which include a cruise component) of the travel date will require full payment at the time of reservation. Certain non-standard arrangements may require higher deposit and the same will be advised to you at the time of booking. Please be aware that some airfares (outside of our group air blocks) require full payment at time of booking and will be advised to you accordingly at the time of your booking confirmation.

2. FINAL AND/OR BALANCE DUE PAYMENT: Guaranteed payment of all balances due is no later than 95 days (105 days for programs which include a cruise component, 110 days for Sri Lanka programs and 125 days for Morocco programs) prior to departure date. If payment of the balance due is not received by the stipulated date, we reserve the right to cancel your reservation without refund of deposit.

3. CREDIT CARD PAYMENTS: Visa & MasterCard credit cards are accepted as form of payment. We do accept any other kinds of cards, including either American Express or Diners Club. Your online authorization by way of our Online Registration Form acts as your approval for the credit card provided as part of your registration to be charged for both the initial deposit (and travel insurance premium, where applicable) as well as the future balance payments on the date they become due, together with any other charges due relating to the booking that have been requested by you in writing (including by current or future electronic mail communication). For registrations that are not received via our Online Registration Form, but instead are forwarded to DOT/OT/BIC by mailing, faxing or e-mailing a scanned completed copy of our (non-online) Registration Form, your signature on such (non-online) Registration Form verifies your approval for your credit card to be charged. No services will be provided without receipt of either the authorized Online Registration Form or the duly signed (non-online) Registration Form. Third party payments may have restrictions.

4. CANCELLATIONS & CHANGES: The deposit amounts (for both the main tour and any optional extensions reserved), as well as any travel insurance premiums paid, are 100% non-refundable and non-transferable. If payments are not received by their due dates, we reserve the right to cancel the booking without further notice. Bookings are non-transferable. There will be no refund for unused land arrangements after departure from North America. In the event of the cancellation by DOT/OT/BIC of any or all components of the travel services offered herein, DOT/OT/BIC will offer either a refund, or future travel credit, depending on the situation with our supplier partners subject to any specific penalties relating to airline seats that would be out of our control and would obviously be dependent upon the air ticket conditions as well as any cancellation penalties that may be charged by third party suppliers of services at the destination. Irrespective of whether a tour booking is cancelled by the client or if any or all components of the travel services are cancelled by DOT/OT/BIC, airfares may be subject to different rules and cancellation fees including some airfares may be fully non-refundable once the booking is confirmed regardless of when it was made including upgraded air cabin classes (ie premium economy, business and first class cabins) which are subject to different rules and cancellation fees based on the individual fare class in which the seats are purchased.

5. TRAVEL INSURANCE: To protect against cancellation charges, we strongly recommend purchasing Cancellation Protection and Travel Interruption Insurance. In the event of illness, medical and hospital expenses are the traveler's responsibility and no refunds will be made, partial or total, for the purchased tour. We strongly urge that you purchase either the Non-Medical Inclusive insurance (ie Cancellation Protection and Travel Interruption Insurance), All Inclusive insurance (Non-Medical coverage plus health coverage), or the Premium Protection Plan insurance package (All Inclusive coverage with higher coverage limits) offered by DOT/OT/BIC through Manulife Insurance. COVID-19 is currently viewed as a pre-existing situation by all insurance companies, including Manulife Insurance, and therefore is an exclusion under those policies that include health insurance, ie All Inclusive and Premium Protection Plan insurance packages. For coverage relating to COVID-19 health claims while on your tour, Manulife offers separate coverage, ie COVID-19 Pandemic Travel Insurance. Some countries may require proof of medical insurance, including specifically for COVID-19.

TRAVEL DOCUMENTATION, VISA & OTHER IMMIGRATION REQUIREMENTS: A Canadian citizen must be in possession of a passport that must remain valid for a minimum of 6 months from the date of conclusion of their journey for all destinations offered with the exception of New Zealand, Spain/Portugal and countries on our Eastern Europe program where the passport must remain valid for a minimum of 3 months from the date of conclusion of their journey. 7. PRICING POLICY: Accommodations and services at the destination are contracted in local currencies and/or US Dollars. Due to frequent fluctuations in currency exchange (as well as other factors beyond our control including, but not limited to, fuel costs, transportation taxes and airport and local surcharges), prices are subject to change with or without notice and surcharges may apply for which we would endeavor to inform you as soon as possible. 8. UNUSED PORTION OF THE TOUR: No refund will be made for any unused accommodations, missed meals, transportation segments, cruise portions, sightseeing tours or any other service. Such unused items are neither refundable nor exchangeable.

9. ACCOMMODATIONS: We use a variety of accommodations on our programs with many of our properties specifically chosen to reflect the local style and culture of the region. Our rating system reflects the majority of the accommodations throughout each program but some variety can occur. Ratings are based not only on room quality but also on facilities and location. Accommodation ratings in overseas destinations outside of Canada are an arbitrary measure and their definition from country to country can differ slightly as well as not always being consistent between individual properties in that particular destination nor are they necessarily comparable to an equivalent rating in North America. Rooms are assigned by the respective supplier(s) on a run-of-the-house basis, in category (ies) as specified in the itinerary and the right is reserved to substitute properties/hotels/lodges/camps/cruise/ships as conditions warrant such change for reasons beyond our control. Accommodations on twin occupancy basis, is provided at the properties/hotels/lodges/camps/cruise ships as specified or similar. Single room supplements apply to persons occupying sole use of a room/cabin but travelling with other passengers on the same tour and sharing transport cost on transfers, game drives, coach tours, sightseeing and excursions. Quoted single room rate does not necessarily mean single occupancy of a double room, as several of the establishments offered have especially designed single occupancy units.

10. SINGLE PASSENGERS TRAVELLING TOGETHER: If you are travelling with a companion and each paying separately the regular each of two double sharing accommodation rate and your companion decides to cancel, the remaining travelling passenger will be responsible for either finding a replacement travelling companion to take the cancelled passenger's place or must pay the single supplement and travel on a single basis.

11. AGE & HEALTH REQUIREMENTS:

Minimum Age: The minimum age for the majority of our tours is 12 at the time of travel.

Maximum Age: We have no upper age limit for our tours though we inform you that our tours may include some components for which group members need to be in good physical condition in order to be able to participate. We will provide details on mandatory and recommended health requirements but it is your responsibility to ensure that you obtain proper and detailed medical advice at least 6 weeks prior to travel for the latest health requirements and recommendations for your destination and how they impact your own personal health situation.

12. MEALS & BEVERAGES: Meals as included on our itineraries are either buffet meals and/or table d'hôte. Meals ordered through room service are not included and must be paid directly to the establishment. Alcoholic beverages, soft drinks, and bottled water are included only where indicated on the itinerary. Unless specifically mentioned in your itinerary, all drinks (both alcoholic and non-alcoholic) are to be purchased and paid directly to the establishments.

13. OPTIONAL TOURS & EXCURSIONS AND TOUR EXTENSIONS: It is our intent to operate any optional tours & excursions and tour extensions on a private group basis. However, should the number of participants be of an insufficient level, we reserve the right to either

- (1) add a surcharge to the previously stated selling price to be able to still offer the extension on a private basis or
- (2) operate any individual tour on a shared basis with other non-group participants or
- (3) cancel the tour and provide a full refund of all monies paid.

No refunds can be provided for cancellation of any tour by the client while in the destination.

14. SPECIAL REQUESTS: While we will make every effort to accommodate special requests, eg., room/cabin locations, adjoining rooms, non-smoking rooms, bed preferences, special dietary meal requests, these cannot be guaranteed and DOT/OT/BIC cannot be held responsible if such requests cannot be fulfilled. Requests for upgrading rooms/cabins are subject to additional charges. Any deviations to the standard program arrival and departure flight dates should be notified to us by separate e-mail at the time of booking and are subject to availability and also any applicable flight class supplement.

15. SEATING ASSIGNMENT ON FLIGHTS: Our air arrangements are made via group contracts with the airlines and are therefore subject to more restrictive airline Terms & Conditions and policies than for seats purchased individually from airline web sites. If you have a particular seat request, we will do our best to fulfill it subject to the policies of the airlines. Certain airlines assign group seating automatically for which the specific location within the group block is out of our control and to which the airlines do not provide access for us to change specific seat locations; and several airlines do not allow for specific advance seat assignment at all in which case specific seats will be assigned at airport check-in.

16. DOCUMENT DELIVERY: Your travel documents will be sent to you approximately 3 weeks prior to departure. For bookings received within 3 weeks of departure, express delivery of documents will require a courier delivery fee of \$30 to cover extra handling and processing. Additional courier charges will apply for all residents outside of Canada, irrespective of when the booking is made.
